How to schedule a donation

Scheduling a donation is easy to do! Just follow these steps:

Find a Nonprofit

Search for the nonprofit(s) for which you would like to schedule a donation.

Fill out the donation form

Provide the Donation Amount

Select "Gives Day" as the Donation Type.

Provide additional details about your donation as required

Click "Add to Cart"

Note: You can add additional nonprofits to your cart if making donations to multiple organizations in one transaction.

Create your donor account!

You'll be prompted to create a donor account or login if you've already done so.

Check Out!

Provide your billing information, then click "Submit"

You're done!

You'll receive a confirmation of your scheduled donation by email. Note that your donation will not transact until the Giving Event kicks off. You'll receive a second confirmation email letting you know your donation was successfully processed at that time.
